#### **About Skinpeccable**

Nestled in the heart of one of L.A.’s most treasured neighborhoods, a passerby may be quick to mistake Skinpeccable’s chic decor for a ritzy day spa. In reality, the cosmetic dermatology & laser center is far more than a luxurious retreat from the hectic L.A. lifestyle. Utilizing state-of-the-art cosmetic technology while offering a host of amenities and services, Skinpeccable has set a new standard for skincare.

Led by the accomplished, fourth generation physician, Dr. Raphael Darvish, Skinpeccable’s friendly, experienced staff is dedicated to meeting all of its clients’ needs. From physical health concerns and skin abnormalities to the desire for youth and beauty, Skinpeccable covers every aspect.

By taking a holistic approach to cosmetic dermatology, Skinpeccable takes every consideration when treating its clients to provide the safest and most effective cosmetic treatments available. Whether it is unwanted hair, wrinkles, acne scarring, brown spots, leg veins, large pores, or just general skin improvements, Skinpeccable holds the answer.

Prestigiously located on San Vicente Boulevard in Brentwood, Skinpeccable’s modern and sleek design is aptly themed to reflect the youthful and flawless skin it aims to attain for its patients. Adorned with green hardwood floors, stained glass, and exquisite canvases, Skinpeccable exudes an heir of elegance and serenity. Additionally, the waiting room and ultra-luxurious patient rooms are equipped with plasma television sets, Direct TV®, and satellite radio to ensure a relaxing and comfortable experience.

Designed to encourage relaxation and good health, Skinpeccable is where medical science and technology merge with tranquility and elegance. Skinpeccable is dedicated to providing
